Meyner and Landis Supports Local Charities For Thanksgiving

Following the celebration of Mass at Gateway Center in Newark, New Jersey on the Wednesday before Thanksgiving, the attorneys at Meyner and Landis LLP met with Fr. Bismarck Chau to present a donation of goods collected by the firm's attorneys and staff, along with a check, to support the efforts of St. Johns Soup Kitchen in Newark. From its earliest days, St. John's has been a beacon to the marginal people of Newark community, feeding the hungry and providing comfort to the homeless.
